

Amendments to the Specification:

Please replace the paragraphs beginning at page 12, line 2, with the following rewritten paragraph:

Device for cage (1) for shellfish farming, where the cage is placed in the sea or in a tank with water and where the cage's one side (11) is provided with openings, for instance a grid (13) and where the cage's other sides (3, 5, 7, 9) preferably are closed and where the cage (1) is arranged so it can be turned so that ~~said~~the one side provided with openings (11) faces upwards in a vertical feeding position, or faces sideways in a horizontal eating and resting position, or faces downwards in a vertical emptying position, as these positions are achieved by means of the fish farming cage (1) being placed on or by a transporter (25, 55). (Figure 5)

~~(Figure 5)~~
